RE: LIST OF CONSECUTIVE O.R. NUMBERS

All Minister's Orders (or Regulations) from 1946 to 1975 are consecutively listed on Pages I to VII.

The original Minister's Order or Regulation is shown in the "AREA AFFECTED" column with NO addition (i.e. no number in brackets behind the original). Modifications to the original Minister's Order or Regulation are shown in the "AREA AFFECTED" column with the original number, to which they refer, shown in brackets.

Dash (-) in front of municipal name indicates a former municipality.

RE: ALPHABETICAL LIST OF AREAS AFFECTED

Pages 50 - 91 show, in alphabetical order, all of the areas covered by Minister's Orders or Regulations including description of all modifications.

Certain Minister's Orders or Regulations refer to a number of municipalities (e.g. 568/72 - District of Sudbury). Modifications to such an order can refer to one or all of the municipalities affected by the original order. When a modification does affect all municipalities, it is typed out in full under one municipal name and the other municipalities affected are referred to it. (See Attlee Geog. Township and Awrey Geog. Township).

Dash (-) in front of municipal name indicates a former municipality.

RE: LIST OF CONSECUTIVE O.R. NUMBERS

All Minister's Orders (or Regulations) from 1946 to 1976 are consecutively listed on Pages XI to XVIII.

The original Minister's Order or Regulation is shown in the "AREA AFFECTED" column with NO addition (i.e. no number in brackets behind the original). Modifications to the original Minister's Order or Regulation are shown in the "AREA AFFECTED" column with the original number, to which they refer, shown in brackets.

Dash (-) in front of municipal name indicates a former municipality.

RE: ALPHABETICAL LIST OF AREAS AFFECTED

Pages 60-109 show, in alphabetical order, all of the areas covered by Minister's Orders or Regulations including description of all modifications.

Certain Minister's Orders or Regulations refer to a number of municipalities (e.g. 568/72 - District of Sudbury). Modifications to such an order can refer to one or all of the municipalities affected by the original order. When a modification does affect all municipalities, it is typed out in full under one municipal name and the other municipalities affected are referred to it. (See Attlee Geog. Township and Awrey Geog. Township).

Dash (-) in front of municipal name indicates a former municipality.

RE: LIST OF CONSECUTIVE O.R. NUMBERS

All Minister's Orders ( or Regulations) from 1946 to 1976 are consecutively listed on Pages XVII to XXVI.

The original Minister's Order or Regulation is shown in the "AREA AFFECTED" column with NO addition (i.e. no number in brackets behind the original). Modifications to the original Minister's Order or Regulation are shown in the "AREA AFFECTED" column with the original number, to which they refer, shown in brackets.

Dash (-) in front of a municipal name indicates a former municipality.

RE: ALPHABETICAL LIST OF AREAS AFFECTED

Pages 60 - 110 show, in alphabetical order, all of the areas covered by Minister's Orders or Regulations including description of all modifications.

Certain Minister's Orders or Regulations refer to a number of municipalities (e.g. 568/72 - District of Sudbury). Modifications to such an order can refer to one or all of the municipalities affected by the original order. When a modification does affect all municipalities, it is typed out in full under one municipal name and the other municipalities affected are referred to it. (See Attlee Geog. Township and Awrey Geog. Township).

Dash (-) in front of municipal name indicates a former municipality.

BILL 9, 1976 Section 3

Planning and Development Act, 1973

3. Clause a of subsection 2 of section 22a of the said Act, as enacted by the Statutes of Ontario, 1974, chapter 52, section 3, is repealed and the following substituted therefor:
  - (a) providing that where an area of development control is designated, such zoning by-laws and such orders of the Minister made under section 32 of The Planning Act, or any part thereof, as are designated in the regulation, cease to have effect in the area or in any defined part thereof provided that where land is removed from an area of development control such land is thereupon subject again to the aforementioned by-laws or orders or parts thereof, as the case may be, unless in the meantime such by-laws or orders or parts thereof have been repealed or revoked.
